Chocolate Bar TVC - Storyboard Image & Video Prompts

Global Visual Style

Ultra realistic, cinematic Hollywood war film, ARRI Alexa 35, anamorphic lenses, volumetric smoke, dramatic lighting, desaturated military palette, photorealistic, high contrast, shallow depth of field, ultra detailed, 8K, 2.39:1 Cinemascope.

1. Establishing Battlefield

Image Prompt: Massive war-torn battlefield, muddy trenches, destroyed bunkers, burning military vehicles, black smoke, distant explosions, soldiers running, fighter jets overhead, aerial drone shot. Ultra realistic, Hollywood production quality, ARRI Alexa 35, anamorphic lens, photorealistic, ultra detailed, 8K.

Video Prompt: Slow aerial drone push-in over the battlefield. Smoke drifts naturally, distant explosions erupt, soldiers run between trenches, fighter jets streak overhead leaving contrails. Cinematic realism, subtle camera shake.

2. Injured Soldier

Image Prompt: Medium close-up of injured soldier sitting in muddy trench, torn uniform, blood on sleeve, trembling hands, dirt-covered face. Ultra realistic, Hollywood production quality, ARRI Alexa 35, anamorphic lens, photorealistic, ultra detailed, 8K.

Video Prompt: Handheld medium close-up. Soldier breathes heavily, hands tremble, eyes dart across battlefield. Background explosions illuminate drifting smoke.

3. Military Radio

Image Prompt: Extreme close-up of damaged military radio in mud, broken antenna, sparks. Ultra realistic, Hollywood production quality, ARRI Alexa 35, anamorphic lens, photorealistic, ultra detailed, 8K.

Video Prompt: Macro shot. Radio crackles with static while voices say: 'Don't let them take it! We can't lose this! Move the unit NOW! Get it at all costs!' Tiny vibrations from nearby blasts.

4. Soldier Eyes

Image Prompt: Extreme close-up of frightened soldier's eyes reflecting explosions. Ultra realistic, Hollywood production quality, ARRI Alexa 35, anamorphic lens, photorealistic, ultra detailed, 8K.

Video Prompt: Slow push into the eyes. Pupils react to flashes of explosions while he swallows nervously.

5. Tank Appears

Image Prompt: Over-the-shoulder view of enemy tank emerging through thick smoke. Ultra realistic, Hollywood production quality, ARRI Alexa 35, anamorphic lens, photorealistic, ultra detailed, 8K.

Video Prompt: Camera rises with the soldier peeking above the trench. Massive tank slowly emerges through smoke. Ground vibrates.

6. Soldier Ducks

Image Prompt: Terrified soldier ducking into trench. Ultra realistic, Hollywood production quality, ARRI Alexa 35, anamorphic lens, photorealistic, ultra detailed, 8K.

Video Prompt: Quick handheld motion as soldier ducks. Dirt falls from trench walls. Heavy breathing.

7. Fighter Jet

Image Prompt: Low-angle fighter jet crossing smoky sky. Ultra realistic, Hollywood production quality, ARRI Alexa 35, anamorphic lens, photorealistic, ultra detailed, 8K.

Video Prompt: Jet screams overhead at low altitude with motion blur. Camera shakes violently.

8. Tank Explosion

Image Prompt: Enemy tank destroyed by missile, giant fireball. Ultra realistic, Hollywood production quality, ARRI Alexa 35, anamorphic lens, photorealistic, ultra detailed, 8K.

Video Prompt: Missile impacts tank. Massive explosion sends fire, debris and mud toward camera in slow motion.

9. Aftermath

Image Prompt: Soldier inside trench covered in dust. Ultra realistic, Hollywood production quality, ARRI Alexa 35, anamorphic lens, photorealistic, ultra detailed, 8K.

Video Prompt: Dust rains down. Sound muffles. Soldier slowly looks upward.

10. Digging

Image Prompt: Muddy hand digging under trench floor. Ultra realistic, Hollywood production quality, ARRI Alexa 35, anamorphic lens, photorealistic, ultra detailed, 8K.

Video Prompt: Close macro shot as fingers dig through wet mud searching desperately.

11. Dusty Box

Image Prompt: Muddy hands revealing a dust-covered military metal box. Ultra realistic, Hollywood production quality, ARRI Alexa 35, anamorphic lens, photorealistic, ultra detailed, 8K.

Video Prompt: Slow reveal of mysterious box. Keep contents hidden.

12. Hide the Box

Image Prompt: Soldier hides box inside jacket. Ultra realistic, Hollywood production quality, ARRI Alexa 35, anamorphic lens, photorealistic, ultra detailed, 8K.

Video Prompt: Quick nervous movements. Soldier looks left and right before concealing the box.

13. Climb Out

Image Prompt: Soldier climbing out of trench with explosions behind. Ultra realistic, Hollywood production quality, ARRI Alexa 35, anamorphic lens, photorealistic, ultra detailed, 8K.

Video Prompt: Heroic wide shot. Explosion backlights soldier as he begins running.

14. Run Through Battlefield

Image Prompt: Soldier sprinting while protecting jacket. Ultra realistic, Hollywood production quality, ARRI Alexa 35, anamorphic lens, photorealistic, ultra detailed, 8K.

Video Prompt: Tracking shot. Bullets hit ground inches away. Explosions erupt around him.

15. Front Tracking

Image Prompt: Front tracking of soldier running toward camera. Ultra realistic, Hollywood production quality, ARRI Alexa 35, anamorphic lens, photorealistic, ultra detailed, 8K.

Video Prompt: Camera moves backward. Helicopter passes overhead. Soldier clutches jacket.

16. Collision

Image Prompt: Two enemy soldiers collide at full speed. Ultra realistic, Hollywood production quality, ARRI Alexa 35, anamorphic lens, photorealistic, ultra detailed, 8K.

Video Prompt: High-energy impact. Both tumble across muddy ground.

17. Box Flying

Image Prompt: Dusty metal box spinning through air. Ultra realistic, Hollywood production quality, ARRI Alexa 35, anamorphic lens, photorealistic, ultra detailed, 8K.

Video Prompt: Super slow motion. Box rotates while mud droplets float around it.

18. Box Lands

Image Prompt: Ground-level shot of box landing in mud. Ultra realistic, Hollywood production quality, ARRI Alexa 35, anamorphic lens, photorealistic, ultra detailed, 8K.

Video Prompt: Box lands with dramatic splash. Camera stays inches above ground.

19. Dive

Image Prompt: Both soldiers dive toward mysterious box. Ultra realistic, Hollywood production quality, ARRI Alexa 35, anamorphic lens, photorealistic, ultra detailed, 8K.

Video Prompt: Simultaneous dive in slow motion from opposite directions.

20. Both Grab

Image Prompt: Extreme close-up of two muddy hands grabbing opposite sides. Ultra realistic, Hollywood production quality, ARRI Alexa 35, anamorphic lens, photorealistic, ultra detailed, 8K.

Video Prompt: Hands grip simultaneously. Veins tighten. Mud falls away.

21. Morph Transition

Image Prompt: Close-up of hands pulling object. Ultra realistic, Hollywood production quality, ARRI Alexa 35, anamorphic lens, photorealistic, ultra detailed, 8K.

Video Prompt: Continuous pull-back. Battlefield audio fades into children's voices. Hands gradually morph into children's hands.

22. Kids' Room Reveal

Image Prompt: Messy children's bedroom resembling battlefield, siblings pulling chocolate bar. Ultra realistic, Hollywood production quality, ARRI Alexa 35, anamorphic lens, photorealistic, ultra detailed, 8K.

Video Prompt: Camera completes pull-back revealing destroyed bedroom. Kids struggle over chocolate bar with same intensity.

23. Mom Ends War

Image Prompt: Mother enters holding another chocolate bar broken into two pieces. Ultra realistic, Hollywood production quality, ARRI Alexa 35, anamorphic lens, photorealistic, ultra detailed, 8K.

Video Prompt: Warm lighting. Mother smiles and hands each child a piece. Instantly the fight stops.

24. Pack Shot

Image Prompt: Premium chocolate bar product shot. Ultra realistic, Hollywood production quality, ARRI Alexa 35, anamorphic lens, photorealistic, ultra detailed, 8K.

Video Prompt: Slow cinematic product rotation. Chocolate breaks cleanly, cocoa particles float, premium advertising finish.
